

Kristóf Lajber

Engineer Instructor

Eötvös Lóránd University Faculty of Informatics
Savaria Institute of Technology
Károlyi Gáspár tér 4, Szombathely, H-9700, Hungary
Tel: +36 94 504 461
E-mail: lk@inf.elte.hu

ACADEMIC DEGREES

- 2018 M.Sc. in Mechanical Engineering**
Title of thesis: Electrical Control Unit platform for internal combustion engines
Szent István University, Gödöllő, Hungary

WORKPLACES

- 2019 – Engineer Instructor**
Eötvös Lóránd University Faculty of Informatics
Savaria Institute of Technology,
- 08/2018 –12/2018 Service Engineer**
GIF Modul Kft
- 01/2018 – 05/2018 Research Trainee**
University of Oulu, Faculty of Technology

RESEARCH INTERESTS

- **Vibration measurements**
- **Industry 4.0 IoT applications**

TEACHING ACTIVITY

Lecturer

- Course (BSc): Foundations of Electrotechnics, Electromechanics

LANGUAGES

- English: writing, reading, speaking (fluent,B2)
- Hungarian: writing, reading, speaking (native)

SOFTWARES

- Programming language: C/C++
- Microsoft Windows, Microsoft Office, Visio,
- AutoCad, SolidEdge, Fusion 360
- Matlab
- Eagle
- Smath

GRANTS, AWARDS, PRIZES

- 2017** National Scientific Student Conference 3rd place in automotive technologies section
2015 University Scientific Student Conference 2nd place
